A few Testimonials from last year's event....

"Just a quick note on behalf of the children of Cambourne Eagles Y FC.

Thank you! They all had a great day at your tournament on Saturday, despite the wind and the rain!

Eagles entered two brand new under 7 teams. This was to be their first ever match! What a great atmosphere to start out their footballing journey.

I can't even begin to imagine the work that goes into organising an event on this scale so, very well done to you all.

See you again next year,"

"Thanks for organising another great event" Great Paxton Colts under 16

"Thank you very much for organising the Godmanchester tournament. We attended on Saturday as part of our U7 side.

For our family, and everyone else in our young team, it was the first tournament we have attended and we were very impressed by its organisation and how friendly and helpful people were. It was a really fun morning and the boys in our team all had an excellent time. Organising such an event must involve a lot of time and dedication by a host of people, so please pass our thanks to as many of them as possible!

Thanks once again to everyone involved, and hope you have a relaxing Bank Holiday Monday once the weekend is successfully completed "
